

Symbolism on the \$1 Bill

By Johan Oldenkamp

The picture to the left shows the back side of the USA one-dollar bill. This back side depicts “The Great Seal of the United States”, consisting of the strange pyramid on the left-hand side and the decorated eagle on the right-hand side, and in between the words “In God we trust” above the word “ONE”. At the bottom layer of that

remarkable pyramid, we find the number 1776 in Roman numerals. Below, we see colored versions of both parts of this “Great Seal”.

The Great Seal

of the United States

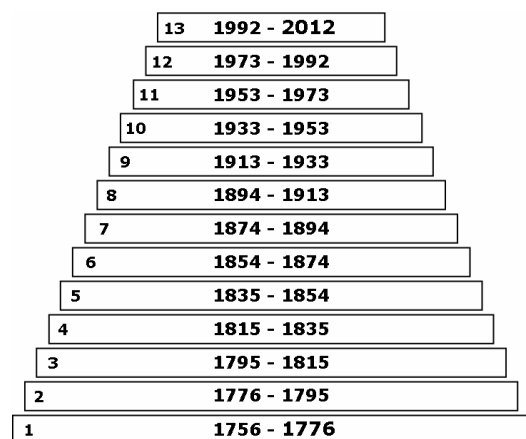

The figure to the left shows the nine hierarchical levels of consciousness, as explained by *Wholly Science* in four mutually consistent ways: historical, psychological, neuro-physiological, and sociological. The decapitated 3D pyramid on the back of the \$1 bill represents power-based consciousness (level 7 counted from the bottom). The 2D triangle above this flattened pyramid represents both higher levels of consciousness (strength-based consciousness and wholeness-based consciousness).

Currently, several cooperating power-hungry groups strive for total world domination. I name these groups the “Control Freaks”. Their most powerful means for controlling humanity is money. As their power is based on the implicit consent of humanity’s mass, they are obliged to always openly show their intentions. However, they do this via symbols, as they do not want the mass to consciously understand what they are up to. The Control Freaks have symbolically cut off both highest levels of consciousness on the \$1 bill as they do not want humanity to ascend beyond power-based consciousness.

The eagle depicted at the right-hand side of the Great Seal of the United States represents male domination. Two millennia ago, also the Roman empire used the eagle to symbolize

male domination, followed by Nazi Germany in the previous century. Neither the Roman Empire, nor the Nazis were really defeated. They just went “underground”. Nowadays, the Roman empire includes to complete surface of this planet, and its power base resides in Vatican City. After the second World War (WWII), the Nazi headquarters moved to Washington in the District of Columbia (DC), which flag symbolizes the number 13 (see below).

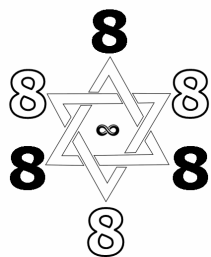

The \$1 pyramid has exactly 13 layers (under the “All-Seeing-Eye” of the Control Freaks). These layers represent the Nights and Days of the seventh level of Creation of the Tzol’tun, as explained by *Wholly Science*. The first Night indeed ends nearly precisely at the start of the year 1776. By putting the ending year of 1776 on the first layer, and each layer lasting 19.7 years (named a *ka’tun* by the Ancient Maya), the designers of this Great Seal also pointed out that the 13th and final layer ended in the year 2012.

The Control Freaks used the Latin words of “*Novus Ordo Seclorum*” (meaning “New World Order”) under this pyramid to state their intention of seizing global control. Their New World Order is a global fascist regime totally controlling all life on Terra. It is the Big Brother as Eric Arthur Blair (1903 – 1950) under his pen name George Orwell described (mostly in the year 1948) in his book “*Nineteen Eighty-Four*”. He reversed ’48 (the year in which he started to write this book) into ‘84 (the title of this book) to indicate that the Control Freaks are very fond of twisting the truth.

Many ignorant people still believe in the unlucky number 13. Let us see how many references to the number 13 are hidden in this Great Seal of the United States.

1. The Seal’s pyramid has 13 levels, as already mentioned above. These levels correspond to the 13 Tones of seventh Creational level of the Tzol’tun.
2. The Seal’s eagle hold in his right claw a branch with 13 leaves.
3. That branch also has 13 olives.
4. In his left claw, the eagle holds 13 arrows.
5. Above the eagle’s head, there are 13 pentagram-shaped stars.
6. The shield in front of the eagle’s chest shows the USA flag (turned a quarter), consisting of 13 stripes.
7. The Latin words “*Annuet Coeptis*” (meaning “Our Beginnings are Approved”) above the pyramid consist of 13 letters.
8. The Latin words “*E Pluribus Unum*” (meaning “Out of Many, One”) on the ribbon, held by the eagle’s beak, also consist of 13 letters.
9. The base-9 numerological value of the words “*Annuet Coeptis*” corresponds to 13 ($1+5+5+3+9+2 + 3+6+5+7+2+9+1 = 58$; $5+8=13$).
10. The base-9 numerological value of the words “The Great Seal” corresponds to 13 ($2+8+5 + 7+9+5+1+2 + 1+5+1+3 = 49$; $4+9=13$).
11. The base-9 numerological value of the words “of the United States” corresponds to 13 ($6+6 + 2+8+5 + 3+5+9+2+5+4 + 1+2+1+2+5+1 = 67$; $6+7=13$).
12. The base-9 numerological value of the words “In God we trust” corresponds to 13 ($9+5 + 7+6+4 + 4+5 + 2+9+3+1+2 = 58$; $5+8=13$).
13. The year of the 18th century corresponding to the Roman numerals at the bottom layer of the pyramid is ’76, which corresponds to 13 when we add up both ciphers.

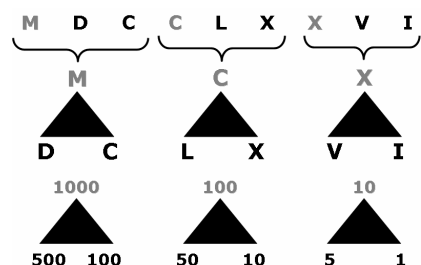

According to Greek Gematria (as explained by Wholly Science), the genuine name of Jesus in the original Greek Gospels, namely IHΣΟΥΣ, corresponds to the value of 888. The double of 888 is 1776. By founding themselves under the name “Illuminati” in the year 1776 (on May 1), the Control Freaks indirectly also refer to the return of Jesus. The first Jesus was not a man, as many ignorant people believe. The Jesus of the Gospels is a personification of God’s sun Helios passing through the precessional house of Pisces. This speaking Sun of God makes (in (Luke 22:10) a clear

reference to his return: “A man will meet you carrying a pitcher of water; follow him into the house that he enters.” In all cultures, women carry water, not men. These words therefore do not refer to a terrestrial event, but instead to a celestial one. It is a clear reference to the start of the period of 2160 years when God’s sun Helios passes through the precessional house of Aquarius (Latin for “the man carrying a pitcher of water”). According to my research, the Age of Aquarius started in the year 2012 of our Common Era (CE). By choosing 1776 as the year of foundation, the Control Freaks indirectly claim world domination during these two millennia. However, their intended take-over is planed to be gradually. The WWII played a major role in their plan, directly followed by the establishment of the United Nations (UN [8]) on 1945 October 24 [8], and the establishment of the Central Intelligence Agency (CIA [13]) on 1947 September 18 [39 (=3×13)].

The number 1776 consists of 9 roman numerals. The table below shows the values of each of these numerals.

M	D	C	C	L	X	X	V	I
1000	500	100	100	50	10	10	5	1

The figure to the left arranges these 9 numerals as three trinities. Adding up the values of the numerals at the bottom of each trinity triangle results in 666. The Bible refers to this number as the Number of Mankind, and also as the Number of the Beast. Seen from the perspective of the Control Freaks, mankind is like a beast that requires strict control.

The Control Freaks are fond of turning the truth upside down, or twisting it in any other way. The true pyramid of the Tzol’tun consists of 9 vertical layers of 13 horizontal phases (named Tones) each. The twisted Seal’s pyramid consists of 13 vertical layers with 9 horizontal numerals at the bottom instead. Also the eagle has nine horizontal tail feathers, instead of nine vertical levels.

When we count the wing feathers of the eagle, we find 33 on the right wing and 32 on the left wing. Together they form 3332, which is the Sumerian number for 2012, as explained by *Wholly Science*. This is another reference to the year 2012 CE in the Great Seal.

The eagle stands in the middle between 33 feathers on its right wing and 32 on its left wing. Water (H₂O) of 32° Fahrenheit is frozen (solid ice), while water of 33° Fahrenheit is liquid. There are also 33 vertebrae in a human spinal column, and the secret society of Freemasonry has 33 degrees of initiation. The front side of the \$1 bill shows the portrait of George Washington (1732 – 1799), who was a 33rd degree Mason. We also find the five letters of Mason when we put the Seal of Solomon on

top of the Seal’s pyramid.

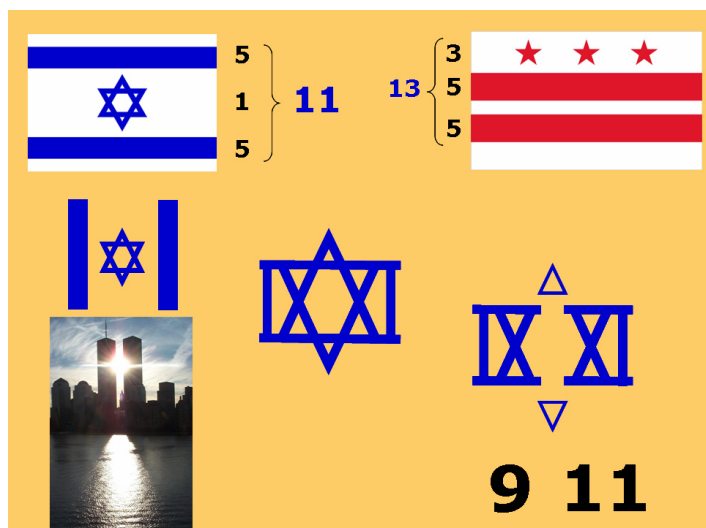

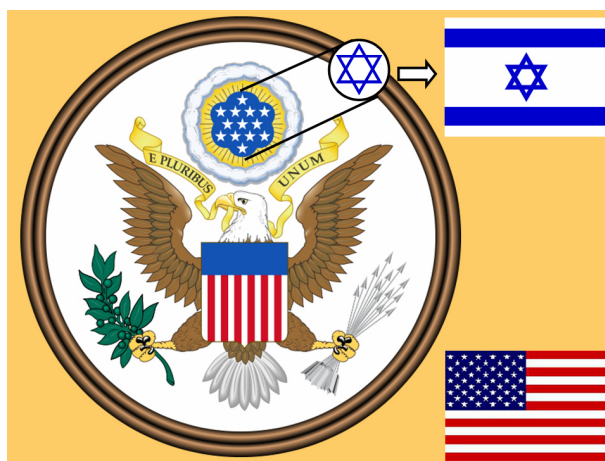

Annuit Coeptis & E Pluribus Unum

The meaning of the Latin words “*Annuit Coeptis*” is “Our Beginnings are Approved” or “He approves of that what we have started.” Many ignorant people assume that this “He” is a reference to God, which is utterly nonsense. God gave man Ten Commandments. Besides that, God clearly does not approve anything. Also the meaning of Latin words “*E Pluribus Unum*” clearly proves that God has nothing to do with these “beginnings”. The first words of God tell us that God created the heavens and the earth. This means that out of God, being (The) One, became Many, which is the very opposite of “Out of Many, One”, written in Latin on the ribbon held by the eagle’s beak. The Control Freaks used this reversed phrase to indicated that out of the many peoples on this planet, they want to create one controlling entity which they have named the New World Order, written in Latin under their symbolic pyramid of power.

The 13 stars above the eagle’s head also form a single, six-pointed star (named the Seal of Solomon, meaning the symbol of God’s sun Helios). This visualizes the “Out of Many, One” phrase beneath it on the ribbon: the many (13) stars become as one.

The shield protecting the eagle shows the twisted USA flag. The function of the USA military is to protect the interests of the eagle, representing the Control Freaks.

The six-pointed star is also a reference to the flag of the unlawful state of Israel. As this right-hand side of the Great Seal clearly depicts, Israel is on top of the USA. The Control Freaks created Israel, and they use the USA military as Israel’s protection shield.

When we twist the flag of Israel, we get two pillars on each side of the sun’s symbol, representing the sun Helios shining in between the twin towers. When we next enlarge the Seal of Solomon, and connect it with both pillars, we get the symbol in the middle of the figure on the left. The result of cutting of both the top and the bottom triangles, and next cutting it in halve, are the Roman numerals for 9 and 11. Via symbolism, the Control Freaks openly show that they created the terror of 9/11 in 2001.

The book entitled “*Understanding God – The Wholly Science Handbook*” explains in great detail the symbolism used by the Control Freaks. For ordering this book, visit the website Pateo.nl and click on “**Books**” in the menu on the left-hand side on this website.
